In response to the Decision Refusing Status Under 37 CFR 1.47(b) applicant herewith submits a Rule 63 inventor's declaration executed October 27, 2005 by the previously non-signing inventor Simon Prisant.

A concurrently executed assignment to Teltry Systems Limited is being submitted for recordation and a copy of such assignment is also attached.

This response is believed to moot all outstanding alleged deficiencies and to place this application back into a normal prosecution track. A written notification to that effect

is respectfully solicited.

Respectfully submitted,

**NIXON & VANDERHYE P.C.**
